5. The Chairman announced that the DCI had approved Option C in the SWS paper. He said that the next step would be to revise the draft DCID to conform and then seek NFIB coordination. The Group agreed with his suggestion that reps of the other NFIB agencies should be invited to meet with the Warning Group when it reviewed the draft, to lay the groundwork for its final consideration by NFIB principals. [redacted]

6. The Chairman accepted a few suggestions on minor changes in alert memoranda procedures. [redacted] 25X

7. In response to a question from [redacted] there was a brief review of the Community posture with regard to Sino-Soviet hostilities. The Group appeared to agree with the proposition that the present posture was appropriate to the degree of threat. [redacted]
